

# The event for Aerospace & Defence Industries returns to the RAF Museum.

## 2011 IMFAIR

The Institute of Metal Finishing

*The Surface Finishing Event for  
Aerospace & Defence Industries*

14th - 16th June 2011

ROYAL AIR FORCE **museum**  
COSFORD

THE   
INSTITUTE  
OF METAL  
FINISHING

This popular conference & exhibition provides an excellent international forum for sharing surface finishing knowledge and best practise techniques for sustainable aviation and defence materials technology.

The aim of IMFAIR 2011 is to connect surface finishing researchers and practitioners from both academia and industry, to meet and share cutting-edge developments. A supporting exhibition allows major suppliers to showcase their latest products and services.

**For more detailed information on attending as a delegate or booking an exhibition booth please contact:**
